WORK EXPERIENCE

The Digital Corps, Ball State University, Muncie, IN

Development Specialist

Aug 2022 - Present

Development Apprentice

Aug 2021 - Aug 2022

- Work in interdisciplinary teams to create web applications and other digital products for clients or for internal usage.
- Create website frontend using **React JavaScript / TypeScript, HTML, and Sass / CSS.**

Junior Project Manager

May 2022 - Present

- Work with Project Managers to organize projects, delegate tasks, and map out timelines for the interdisciplinary teams on respective projects.

PROJECTS

Digital Corps Recruitment

Jan 2022 - Present

- Updated home page, application form, and admin panel using **CSS.**
- Utilized **Angular** and **Moment.js** to automatically set dates in the admin panel based off a specific hiring event.
- Attended multiple hiring events to recruit people resulting in the amount of applicants **more than doubling.**

The Loading Zone National Distribution

May 2022 - Present

- Coded the entire frontend of the site using **TypeScript, HTML, and Sass.**
- Developed an alternating layout of displaying videos toggling between grid view and list view.
- Utilized a **dialog box** to display a video player **iFrame** to play the video after clicking on the video thumbnail.
