## WORK EXPERIENCE

### The Digital Corps, Ball State University- Web Developer

AUG 2021 - PRESENT

Collaborated with Designers, User Experience Researchers, Content Writers, Video Producers, and Project Managers to create web applications and other digital products for clients or for internal usage.

Created website frontend using **React JS / TS, Sass / CSS, and HTML.**

Specialized in **frontend styling.**

**Leader and spokesperson** for the entire organization with a focus on interacting with every team.

Coordinated with **staff members** and **Director** to communicate problems or possible improvements.

**Presented** to new hires, the entire organization, and special clients.

Promoted twice.

- Development Master (May 2023 - Present)
- Development Specialist (Aug 2022 - May 2023)
- Development Apprentice (Aug 2021 - Aug 2022)

### The Digital Corps, Ball State University- Junior Project Manager

MAY 2022 - PRESENT

Facilitated Project Managers in organizing projects, delegating tasks, and mapping out timelines for the interdisciplinary teams on respective projects.

### MakeMyMove, Indianapolis, IN - Software Engineer Intern

MAY 2023 - AUG 2023

Collaborated with Designers and other Software Engineers to contribute to the upkeep and updating of MakeMyMove products with **React JS, JavaScript, and CSS.**

Engaged in weekly **Scrum** meetings for two week sprints for an **Agile** environment.

Obtained through the TechPoint XTERN internship matching program.

## PROJECTS

### Henry Gets Moving — Senior Capstone Project

SEPT 2022 - MAY 2023

Designed the entire UI of the web application utilizing **Figma.**

**Styled all elements** of the web application applying **SASS and React TS.**

Was **voted best product** of the iteration for 2/5 iterations.

### Digital Corps Recruitment — Digital Corps Project

JAN 2022 - MAY 2023

Updated home page, application form, and admin panel using **CSS** according to **Figma** designs.

Utilized **Angular** and **Moment.js** to automatically set dates in the admin panel based on a specific hiring event.

Attended multiple hiring events to recruit people resulting in the amount of applicants **more than doubling.**
