WORK EXPERIENCE

Web Developer

The Digital Corps, Muncie, IN

AUG 2021 - PRESENT

Collaborated with Designers, User Experience Researchers, Content Writers, Video Producers, and Project Managers to create web applications and other digital products for clients or for internal usage.

Created website frontend using **React JS / TS, Sass / CSS,** and **HTML.**

Specialized in **frontend styling.**

Leader and **spokesperson** for the entire **organization** with a focus on interacting with every team.

Coordinated with **staff members** and **Director** to communicate problems or possible improvements.

Presented to new hires, the entire organization, and special clients.

Promoted twice.

Junior Project Manager

The Digital Corps, Muncie, IN

MAY 2022 - PRESENT

Facilitated Project Managers in organizing projects, delegating tasks, and mapping out timelines for the interdisciplinary teams on respective projects.

Recorded meeting notes and led project meetings when required.

Software Engineer Intern

MakeMyMove, Indianapolis, IN

MAY 2023 - AUG 2023

Collaborated with Designers and other Software Engineers to contribute to the upkeep and updating of MakeMyMove products with **React JS**, **JavaScript**, and **CSS**.

Engaged in weekly **Scrum** meetings for two week sprints for an **Agile** environment.

Obtained through the TechPoint XTERN internship matching program.

PROJECTS

Henry Gets Moving — *Senior Capstone Project*

SEPT 2022 - MAY 2023

Designed the entire **UI** of the web application utilizing **Figma**.

Styled all elements of the web application applying **SASS** and **React TS**.

Was **voted best product** of the iteration for 2/5 iterations.

Digital Corps Recruitment — *Digital Corps Project*

JAN 2022 - MAY 2023

Updated home page, application form, and admin panel using **CSS** according to **Figma** designs.

Utilized **Angular** and **Moment.js** to automatically set dates in the admin panel based on a specific hiring event.

Attended multiple hiring events to recruit people resulting in the amount of applicants **more than doubling**.
